## **Editorial Policy and Publication Ethics**

The SOCIOINT 2022 Conference Proceedings are all in English and contain the double blinded peer reviewed papers presented at the SOCIOINT 2022 Conference. The conference proceedings published only online on [OCERINT's digital library](#) and have free access.

The SOCIOINT 2022 International Scientific Committee is composed of lecturers and researchers from many different countries. During the review process, the following points were evaluated: information content, relevance to the educational field, general structure, clarity of contents, originality of the research, appropriate citations to the literature.

The papers published in these proceedings reflect the views only of the authors. The publisher cannot be held responsible for the validity or use of the information therein contained.

The OCERINT publishing aims to publish conference proceedings that contain original research articles of high quality meeting the expected ethical standards. The publication guidelines are provided for authors who submit articles to OCERINT conferences in order to maintain high ethical standards.

OCERINT conference shall guarantee the high technical and professional quality of the publications and that good practices and ethical standards are maintained. If unethical behaviors are identified, an investigation will be initiated and pertinent actions will be taken.

More information about our **"Ethical Principles and Publication Policy"** can be available here: <https://www.ocerints.org/index.php/contact/14-sample-data-articles/128-ethical-principles>

# PREFACE

Dear Distinguished Delegates and Guests,

On behalf of the Local Organizing Committee I am pleased to welcome our distinguished delegates and guests to the SOCIOINT 2022 9th International Conference on Education & Education of Social Sciences held online during 13-14 June, 2022.

SOCIOINT 2022 is organized and sponsored by *International Organization Center of Academic Research (OCERINT)*.

The conference provides the ideal opportunity to bring together professors, researchers and postgraduate students of diverse disciplines, discuss new issues, and discover the most recent development, research and trends in education, social sciences.

The main goal of this event is to provide international scientific forum for exchange of new ideas in a number of fields of education, for in-depth interaction through discussions with colleagues from around the world. Core areas of education and researches on education will be covered during the conference.

The conference program is extremely rich, featuring high-impact presentations. The program has been structured to favor interactions among attendees coming from many diverse horizons, scientifically, geographically, from academia.

SOCIOINT 2022 has welcomed delegates from 15 different countries. This multicultural experience gives us the opportunity to meet new partners and learn from each other in an international and friendly atmosphere.

SOCIOINT 2022 more than just a place to present papers; it is a place to meet and welcome new people and colleagues. It is a place to interact and discuss new ideas and new innovations. In short, it is a place to build not only a community of scholars but a community of friends.

This proceeding records the fully refereed papers presented at the conference. The main conference theme and sessions is Education.

The conference has solicited and gathered academic research submissions related to all aspects of the main conference themes.

I would like to thank the organization staff, program chairs, and the members of the program committee for their work.

Thank you very much for participating in SOCIOINT 2022 and for contributing to this inspiring international forum.

I hope you enjoy your time with us!

With my warmest regards,

Prof. Dr. Ferit Uslu

*Chair of SOCIOINT 2022*

*Organizing Committee*

June 13, 2022
