Dear Distinguished Delegates and Guests,

On behalf of the Local Organizing Committee I am pleased to welcome our distinguished delegates and guests to the ADVED 2021- 7th International Conference on Advances in Education held online during 18-19 October, 2021.

ADVED 2021 is organized and sponsored by *International Organization Center of Academic Research (OCERINT)*.

The conference provides the ideal opportunity to bring together professors, researchers and postgraduate students of diverse disciplines, discuss new issues, and discover the most recent development, research and trends in education, social sciences.

The main goal of this event is to provide international scientific forum for exchange of new ideas in a number of fields of education, for in-depth interaction through discussions with colleagues from around the world. Core areas of education and researches on education will be covered during the conference.

The conference program is extremely rich, featuring high-impact presentations. The program has been structured to favor interactions among attendees coming from many diverse horizons, scientifically, geographically, from academia.

ADVED 2021 has welcomed delegates from 18 different countries. This multicultural experience gives us the opportunity to meet new partners and learn from each other in an international and friendly atmosphere.

ADVED 2021 more than just a place to present papers; it is a place to meet and welcome new people and colleagues. It is a place to interact and discuss new ideas and new innovations. In short, it is a place to build not only a community of scholars but a community of friends.

This proceeding records the fully refereed papers presented at the conference. The main conference theme and sessions is Education.

The conference has solicited and gathered academic research submissions related to all aspects of the main conference themes.

I would like to thank the organization staff, program chairs, and the members of the program committee for their work.

Thank you very much for participating in ADVED 2021 and for contributing to this inspiring international forum.
